# OUR SHOW

RALLY is a national sports entertainment act that specializes in hilarious, nonstop excitement. RALLY began in 2003, after talking with several professional sports teams about the need for quality entertainment that lasts the entire game, is unique, and available at a reasonable price.

We specialize in energizing your crowd through one of a kind skits and on-field antics. We also provide a variety of fan interaction elements in the crowd for the entire game! RALLY is sure to be a fan favorite that creates memorable experiences for your fans of all ages.

You never know what you are going to see when RALLY comes to town. Umpires ribbon dancing, marriage proposals that go bad, pranks being pulled on players, dancing first basemen, even an opposing fan that shows up just to heckle the crowd and get them cheering for your Team. It's all out mayhem from the first pitch to the end of the game. RALLY switches up his skits year after year so there is always something new going on. Your fans are sure to love it.

RALLY is also affordable. Because of our low cost RALLY is able to perform in front of a large variety of audiences from AAA to Independent League Stadiums. Low price does not mean low quality. We believe fans come to the game because of their experience. You can afford to bring us to your stadium more times in one season than our competitors, allowing more people to return to the park because of their experience.

Take a look around at what RALLY has to offer.
